

# Thank you for visiting Robert Langford

## **WE ARE A COVID-19 FREEZONE..**

### **Please help us stay that way by:**

Wearing a mask/face covering when you enter – prizes are awarded for the most stylish one we see daily.

Take advantage of the free hand sanitising station, we charge for everything else.

Only eye contact allowed, no air kissing, elbow bumping, foot tapping, fist pumping or square dancing please.

We can only allow four customers into the showroom at a time, unless you are Ryan Reynolds, have an unlimited budget or arrive bearing cake, then we are open to negotiation.

Keep your distance, science has proved that you look thinner and younger when you are at least 2m away from another person.

If you feel ill, please don't come in, we are happy to send you samples at home and chicken soup if needs be.

### **Our promise to you:**

Have the showroom deep cleaned regularly

Keep surfaces disinfected (thanks to Dettol wipes)

Play great tunes, provide delicious coffee and make sure you leave feeling better about life than you did when you arrived.

**With love from the Robert Langford Team xx**
